

## **Network Partner Strategic Development plans – July 2021**

### **Background**

**ALL** - *What are/were the ambitions/objectives of your organisation becoming a Network Partner?*

*How is your Growth Hub resourced? How are these costs covered?*

**Partners with facilities open** – *How closely have these ambitions/objectives been met? How have they changed?*

*What other opportunities have arisen?*

*What have been the biggest challenges?*

### **Governance**

*What does the internal governance of your Growth Hub look like? How do you report/communicate progress with them? Do you report 'all network' activity or just your own delivery?*

### **Next steps**

*What does your Growth Hub need to deliver for your organisation over the next 12 months?*

*Are there specialisms/lead roles that you want to develop?*

*What are the opportunities you see in developing the Network delivery model?*

*What additional funding/resources would be required for this?*

### **Risks/Challenges**

*What are the key risks/challenges you see for the Network?*

*What are the key risks you see for your own Growth Hub?*

*How could these be mitigated?*

### **Key asks**

*With regards to Network development what activities or input would you like to see from -*

*GFirst LEP*

*Other partners*

*Your organisation*

*Government*
